## on the recyclability of packaging

|                  |                                              |
|------------------|----------------------------------------------|
| Client           | Planol GmbH + Co.KG                          |
| Description      | 1L Flasche mit Klappscharnier                |
| Certificate No.  | Z 20260914                                   |
| ID No.           | 710002071 - Flasche inkl. Deckel und Etikett |
| Number of units  | 1                                            |
| Packaging weight | 51.640 g                                     |

**Test result**

1. Flasche

**The test showed a recyclability of****99.9% very good recyclability , Performance level A  
(externally certified)**

The test was carried out on the basis of the "Minimum standard for assessing the recyclability of packaging subject to system participation in accordance with § 21 (3) VerpackG" of the Central Agency Packaging Register Foundation as of 28 Sept 2025.

This certificate consists of 3 pages and is valid for the year 2026.  
It loses its validity in the event of structural changes to the examined components. The certificate is only valid in Germany.

## Packaging unit 1: Flasche

---

**Category:**

11 - Rigid PE

**External certification:**

The recyclability of 99.9% was externally certified.  
The external certificate is included in the appendix.

**Total weight:**

51.64 g

**Recyclable material weight:**

51.598688 g

**Description:**

1000ml Rundflasche HDPE

### Customer (No: 42300022)

**Name:** Planol GmbH + Co.KG  
**Business customer:** Nein

### Customer account

**Salutation** Frau
